

EVENT AT A GLANCE

Pickle with Purpose is more than just a pickleball tournament — it's a chance to make a real impact. This year's Pickle with Purpose will support **Pilot Dogs**, a local non-profit organization that empowers individuals who are blind or visually impaired to live more independently. Funds will help launch Camp M.O.V.E. in June 2026 — a free, week-long program for students ages 14–17 focused on orientation, mobility, and guide dog readiness. Our goal is to help Pilot Dogs raise \$60,000 to launch the program.
